

The VMS company exists since 1993, and has for activity the manufacture and the marketing of competition's Petanque's Boules.

Thanks to the support of an innovative technology we propose you a full range of successful products.

WHY A SPONSORING OF WORLD CHAMPIONSHIPS?

A World championship is a major event in the year, and all the manufacturers owe be present in this type of demonstration.

It is a only occasion during some days to meet all the international Federations to promote all products.

This event also allows a good image of the brand MS with all the players of the pétanque sport.

MESSAGE to the "PETANQUEURS"

Along with the 39th World championships, I wish to all the participants as well as to all the organisation team the biggest success on the occasion of this international demonstration.

The CEO

M. B. MARLE
